

ENACT

Career Connections

Enact Career Connections is a hands-on program designed to empower adults with intellectual and developmental disabilities (IDD).

This program helps you build skills, confidence, and connections for meaningful work and community integration.

Enact Career Connections

offers inclusive, engaging learning experiences. This program helps you learn by doing. You will explore your interests, try new activities, and learn about different careers.

This program helps you develop real-world skills that support success at work and in everyday life.

Enact Career Connections supports you through nine focus areas:

Arts & Entertainment

Express yourself through music, art, media, and performance while building confidence and communication skills.

STEM

Participate in hands-on science, technology, engineering, and math activities that build your curiosity and problem-solving skills.

Advocacy

Know your rights, practice making choices, and learn how to speak up at work and in the community.

Safety

Develop skills for staying safe at home, online, in the community, and on the job.

Healthy Mind & Body

Build skills for emotional health, physical wellness, and staying energized at work.

Financial Literacy

Learn about money, budgeting, banking, and planning for your future goals.

Critical Thinking

Strengthen your decision-making, conflict resolution, and real-world problem-solving skills.

Discovery

Explore careers through job tours, guest speakers, hands-on activities, and virtual reality experiences.

Career Readiness

Create resumes, practice interviews, learn workplace etiquette, and develop the skills necessary to secure and maintain a job.

Community involvement is a key part of our program. You can engage in:

- Volunteer opportunities that build confidence, purpose, and real-world skills
- Visits to businesses and workplaces, including job shadowing and interactive events
- Opportunities to practice social skills in community settings – building confidence and independence

These experiences can help you build confidence, find purpose, and make meaningful connections.

Engage. Envision. Enact.
